March 25, 2020

The safety of our citizens and employees come first, so please be advised that due to the recent progression of the COVID-19 transmission throughout our community and the restrictions in place to reduce community spread, at the request of State and local officials, we have decided to close our fire stations to community facility use, including homeowner meetings.

We hope to revisit re-opening our facilities to community events in the near future.

If you have any questions or concerns, you may contact us at [inquiries@eofd.org](mailto:inquiries@eofd.org) or by calling 360-491-5533.

Thank you for your understanding, and stay safe and healthy,

Sincerely,

Mark Nelson  
Acting Fire Chief
